

# ***Regional Innovation Ecosystems Workshop***

**30.9 – 11.10.2013, 9:00 am –16:00 pm**

Urban Mill, Design Factory, Start-Up Sauna, Otaniemi

***New highrise  
with greenhouse  
top***

***Creative  
community***

***Teamwork***

***Innovation  
corridor***

***Outdoor  
spaces***

***Urban Food  
Production***

***Roadmap for  
community***

## ***The Workshop***

Plan and design a desirable courtyard for Aalto University Design Factory, Venture Garage and Urban Mill that will inspire the development of the creative community on Otaniemi Campus.

Experience a team-based workshop that will start with context study, lectures and brainstorming, then will be followed by a working studio, to develop several scenarios of how the space can be used by the people of Aalto and its collaborators.

## ***Learn***

- Basic knowledge of sustainable campus
- Dynamics of complex urban systems
- Holistic perspective on a design challenge
- Human centered design approach
- Team-working spirit
- Intercultural communication

## ***Teachers in charge***

**Tiina Laurila**  
Program Director  
Creative Sustainability

**LOU Yongqi**  
Visiting Professor  
Tongji University

## ***Workshop Teachers***

**Markku Lappalainen**  
**Jarmo Suominen**  
**Antti Ainamo**  
**Laura Isoniemi**  
**Ari Laitala**
